

CI WEB GROUP

WE ARE OBSESSED WITH ELEVATING THE TRADES

OUR SERVICES

We combine proven marketing strategies with AI-driven technology to help contractors stay ahead, win more jobs, and dominate their local markets.

From small towns to major metros, we keep your business visible, competitive, and ready for what's next.

1

LOCAL

Be the First Choice in Your Area.

AI-driven strategies put your business at the top of local search, maps, and reviews so customers find you first.

2

CONTENT

Content That Converts.

Consistent, high-quality content keeps your site fresh, builds trust, and drives more customers to your business.

3

SEO

Win the Search Game.

Get found on Google, maps, voice, and AI searches with content designed to answer questions clearly for both humans and machines.

4

WEBSITE

AI-Enabled, Built to Perform.

Low-code, app-like websites load fast, rank higher, and deliver the modern experience today's customers expect.

5

AI, TECH, & AUTOMATION

Always On, Always Ready.

Smart technology responds instantly, streamlines operations, and keeps your business running 24/7.
